## MISSIONARIES OF THE WEEK

### David & Jeannette Durey

**Dean of T-Net Training, Teleo University President  
T-Net International**

“Thank you for your continued love, support, and prayers of this global ministry to finish the Great Commission.”

#### Praises:

- I thank God for the new Teleo University executive team members who are taking on leadership of the ministry. We have team members from Africa, Asia, and the Americas.
- Thank God for the faculty adding video training to allow Teleo University to become an online school with in-person study groups that supply support, coaching, and accountability.
- We have completed enrollment for over 100 Doctor of Ministry (DMin) candidates from over 20 countries endeavoring to complete their dissertations by September 2024.

#### Pray For:

- T-Net/Teleo U as we implement a training center management and Teleo Student Information System software in 44 countries to assure quality training for over 12,000 students.
- The Associate for Biblical Higher Education Accreditation Commission (ABHE) as they consider the Teleo University request to reinstate the accreditation process in North America now that we are accredited internationally through Asia Theological Association.
- David who has been asked to serve on a select committee to help conduct a five-year review to affirm the training outcomes expected for non-formal pastor training organizations. These outcomes are currently used by over 2,000 pastor-training organizations around the world in and endorsed by the World Evangelical Alliance.
