MISSIONARY OF THE WEEK

Pastor Rick Ensrud

Africa Continent Director of T-Net International

Praises:

- I traveled to three graduations in Nigeria which included 68 pastors.
- I worked with Dr. Adebisith, the Nigerian Country Leader, on how to keep recruiting more and more pastors into the T-Net ministry.
- I went to the capital of Nigeria, Abusha. This is the center of Islam in Nigeria. Many of the churches have been attacked by Islamic Radicals. They get little protection from the government which is made up of mostly Muslims.
- We had a graduation for a husband and wife who are ones who have experienced an attack on their church where the pastor was hurt. I had the opportunity to talk about being a disciple-making pastor to an audience of pastors who were interested in being trained.
- I led one more graduation in Calabar. We had over 40 pastors. The church was huge. There were over 8,000 people present!

Pray:

- For me to identify where I need to travel yet in 2023.
- For the growth of T-Net training in Nigeria and Senegal.
- That I can raise another \$10,000 in 2023 to help in the travel of our four regional leaders.
- For the health of Lana and me.
- That T-Net will finish the new data gathering system to be in line with being an organization that can continue to give accredited degrees.
