MISSIONARIES OF THE WEEK

Those Who Protect Us

Praise God For:

- Our military, police, firefighters, and all First Responders: the sacrifice these men and women and their families give for their country to protect our freedom and us here at home and around the world.

Pray For:

- The separation that the service men and women experience from their families over this Christmas season.
- Comfort in their loneliness from their families and pray they will remember that Christ is there with them and to give all to Him.
- Our police and first responders that they know that many appreciate their service and their sacrifice to protect us.
- Their protection—that God would put a hedge of protection around them and bring them safely home.
